PROFESSIONAL EXPERIENCE

Raise Financial Services

Mumbai, India

8th largest Indian fintech unicorn backed by Rocketship.vc valued at \$1.2B with two products offerings: Dhan and Upsurge

Product Manager - Dhan (stock market platform generating 90% of company's revenue)

April 2025 – April 2026

- Led the end-to-end design, build, and rollout of Dhan's Auto-Transfer feature: changed 20% of existing customer behavior; reduced 12% trade failures; and increased 5% trade volume with average number of \$16Mn trade transaction/month and 1.8Mn users.
- Launched an AI powered News Feature replacing third-party news content with personalized market insights: drove 20% higher click rate.
- Redesigned high-volume customer transaction timeline journeys with multiple teams comprising of 28+ members across design, engineering, and support: reduced 40% customer queries and increased 8% customer retention.

Associate Product Manager - Dhan

April 2024 – April 2025

- Spearheaded one-click Mutual Fund Top-Up experience enabling investors to add capital across existing holdings in a single flow: increased AUM from \$1.5M to \$70M+ in 10 months.
- Streamlined the Mutual Fund investment journey from onboarding to purchase by introducing contextual recommendations that reduced time-to-first investment from 7 days to 1 day.
- Secured partnerships with National Depositories to introduce unified portfolio tracking enabling investors to consolidate external holdings within Dhan and driving acquisitions of ~3,000 new customers in a month.
- Conceptualized an investor education [podcast](#) reaching 2,000+ investors with practical guidance on portfolio management and financial discipline content.

Product Marketing - Upsurge (financial EdTech platform serving ~200,000+ users)

April 2022 – March 2024

- Drove performance marketing across Meta and Google platforms through campaign targeting and spending across key customer segments: increased Return on Ad Spend from 0.6x to 1.3x.
- Revamped the Learning Management System (LMS) user experience by improving progress tracking, and adding targeted email and push notification campaigns: increased 10% course completion rates.

Growth Marketing - Upsurge

November 2021 – April 2022

- Initiated and executed the go-to-market strategy by prioritizing finance content, onboarding SEBI (regulatory institution) registered financial creators, and launching web-first to grow the platform to 45K+ users within 4 months.
- Developed and executed social media campaigns across [Instagram](#) and LinkedIn, creating original short form content to grow brand awareness and increase engagement.

TavelXP

Mumbai, India

A global travel and lifestyle channel with 100M+ viewers across 25 countries

Marketing Executive

August 2021 – February 2022

- Expanded TravelXP's distribution by partnering with a major TV brand to pre-integrate the channel into their programming extending reach across the Asian markets.
- Managed targeted email campaigns, optimizing content and audience segmentation: increased 6% open rates
